This is great. We are just finishing up the ag references so we'll get those sent out in the morning and then start in on the riparian references. Thanks, Alan!

Jennifer,

Attached are four documents containing references used by commenters who commented on "Forestry-Riparian" issues. This covers all of the comment letters. You should not be getting any more "Forestry-Riparian" references.

If you have any questions, please feel free to give me a call.
